The Professional Year Program

ACS Professional Year Program

Engineers Australia Professional Year in Engineering

Skilled Migration Internship Program – Accounting

Navitas Career Solutions is proud to be able to offer the ACS Professional Year Program, Engineers Australia Professional Year in Engineering and the Skilled Migration Internship Program – Accounting (SMIPA) on behalf of the ACS, Engineers Australia, CPA, NIA and ICAA.

The Professional Year is aimed at addressing Australia's skill shortages in nominated occupations by enhancing the employment skills of recent international graduates, principally those seeking permanent residence in Australia. Navitas is the only provider approved to offer the ACS Professional Year Program and

SMIPA throughout Australia and is the exclusive provider of the Professional Year in Engineering in Perth and Sydney.

The Professional Year is designed to assist international student graduates gain employment in their chosen career; as well as give eligibility for 10 migration points towards permanent residence. This initiative was implemented in response to concerns that many recent graduates experienced difficulties in gaining employment in their qualified professions.

The Program

- Business Communications
- Australian Work Practices
- Professional Internship (Work Experience) for 12 weeks
- Professional training specific to the industry
- 44 weeks as gazetted by DIAC

The Benefits

- Enhance your career prospects
- Add value to your CV
- Develop an understanding of the Australian workplace
- Gain a Professional Year Certificate
- Become an official member of a relevant professional body
- Qualify for 10 Migration Points towards permanent residence
- Develop practical work skills
- Guaranteed three job interviews at the completion of the program

Navitas offers something more than just a professional year. We prepare students for their professional lives.

The Navitas Difference

Navitas is a leader in the education industry and recognises that participants need a competitive edge to be employed in the current economic climate. In response, we have developed the unique Navitas difference for *The Professional Year*. We understand that recent graduates are the next generation of professionals in Australia and we are committed to helping them develop stronger workplace skills.

MYOB accounting software training

MYOB is a common accounting tool used in Australia and essential business knowledge for a career in the financial sector. This training component is only available to participants of the Skilled Migration Internship Program – Accounting (SMIPA).

Certificate III in Business

Upon completion of the program, participants will be awarded not only a Professional Year Certificate but also a Certificate III in Business. This business qualification recognises that participants have the understanding, skills and abilities equal to those who have been in the Australian workforce for several years.

Navitas Professional Year Program in each state capital

Participants have the opportunity to transfer to other Navitas program locations throughout Australia.

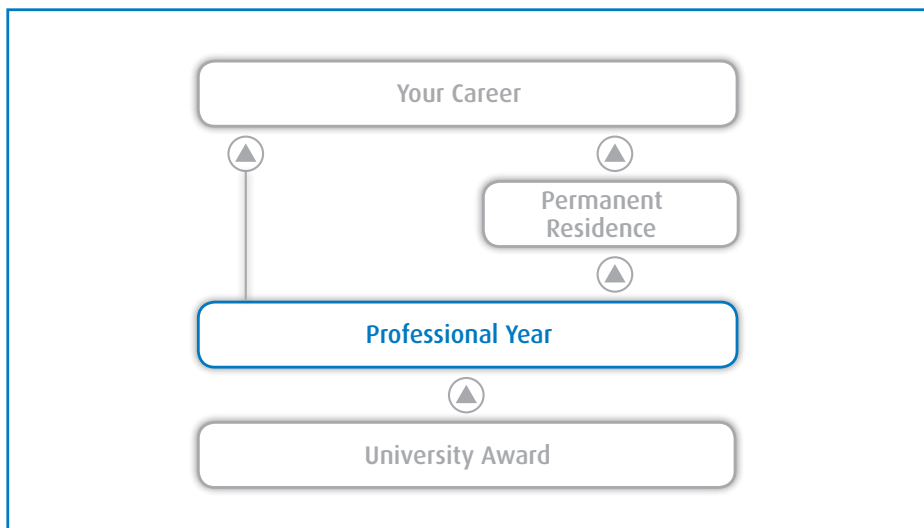

The Navitas guarantee of three job interviews upon graduation

Participants will have access to a job interview service to fast track their career in Australia.

Career Pathway for International Students

Note: Completion of the Professional Year does not guarantee permanent residence

Frequently Asked Questions

Who is eligible to enroll in *The Professional Year*?

To enroll in a professional year program, participants must have:

- Completed an undergraduate or postgraduate award in Australia in a relevant field.
- Applied for the 485 Skilled Graduate VISA within six months of graduating from an Australian institution.
- Evidence of a minimum of IELTS 6.0.
- A successful study history.

What VISA is required to undertake *The Professional Year*?

It is expected that participants will have applied for or hold the 485 Skilled Graduate VISA (SGV).

How to apply for *The Professional Year*?

Candidates will need to submit the following:

- An application form.
- Cover letter indicating the reason why the participant would like to join the program.
- Curriculum Vitae.
- IELTS score report (certified copy).
- Evidence of visa.
- Academic transcripts (certified copy).
- Skills assessment (from a professional body).
- Photocopy of photo page of passport.

For further information visit www.professional-year.com

Is it possible to work during the program?

The 485 Skilled Graduate VISA allows for full work rights for 18 months. If a participant is employed while doing THE PROFESSIONAL YEAR, their internship may be carried out at their place of employment, subject to approval from the employer and Navitas.

Will the internship be in a related field to my studies?

Participants will be placed in ICT, Accounting or Engineering internships according to their program.

Will there be a list of companies to choose from for the internship component?

Navitas partners with companies in each PY location for the internship component and interviews participants to match an internship to their skill set. Participants do not have the opportunity to choose their placement company, but Navitas will place them in a position suited to their career aspirations.

When is the next *Professional Year*?

Navitas intakes are approximately every 8 weeks in Sydney, Melbourne, Perth, Brisbane and Adelaide. Please contact py@navitasworld.com for the exact dates.

Where can I study *The Professional Year*?

- Sydney*
- Melbourne
- Perth*
- Adelaide
- Brisbane

How long is the program and what is the class schedule?

The program is 44 weeks.

- The in-class theory component is 26 weeks. 6 hours per week in-class and 4 hours personal study online. Classes are held at night-time, giving participants the flexibility to work during the day.
- The professional internship is 12 weeks.

How to pass the program?

Participants will need to successfully complete all the components of the course and maintain a minimum 80% attendance record for the in-class theory and 90% for the internship. Participants who do not finish the program will receive a statement to show the components studied but will not qualify for the ten points towards permanent residence.

How am I awarded the 10 points towards permanent residence at the end of the program?

Navitas will report participant details to the Department of Immigration and Citizenship (DIAC) after the participant successfully completes the program. The awarding of points will be at the discretion of DIAC.

What will the program cost?

The full cost of the program with inclusions is AUD \$12,950 including GST. An extra fee of \$50.00 will be charged if the program is paid in two installments.

* Navitas is the exclusive provider of the Engineering program in Sydney and Perth.
